## ***To be a Hero***

**Valerie has loved stories about heroes ever since she was a child. Now it's her chance to become one herself.**

When a masked, self-proclaimed hero called Shadow appears in her hometown, she decides to team up with him and become a hero herself. Valerie is an unlikely adventurer. She can't run fast and she is a little insecure. But she is passionate about turning her life into an interesting story.

However, soon she has to learn that living a story is not as easy as she had thought. In a small town with no big adventures, the person underneath Shadow's mask is the only mystery worth exploring. When Shadow's secrets pile up, she has to learn to face problems without her mask.

In a world that believes it no longer needs heroes, can Valerie and Shadow prove it wrong?

## ***Self-publishing Handbook***

Based on my own experience of self-publishing my second novel *To be a Hero*, I have compiled a Handbook to guide you through the self-publishing process. Originally a blog series, the Handbook starts, by helping you decide whether self-publishing is for you.

In order to produce a quality book, topics from editing, over cover design to typesetting are explained. Next, legal considerations and different distribution channels, as well as financial concerns are addressed. Finally, the biggest section focuses on marketing - the bread and butter of any author, offering advice on how to build up to the release and continue creating impactful marketing afterwards.

## ***Marketing Handbook for Writers***

Whether you are published or self-published, the majority of the marketing and therefore the success of your book is up to you. The *Marketing Handbook for Writers* guides you through the process of setting up your marketing and building an audience. It also offers you suggestions to keep things going a list of 25 in-depth marketing suggestions for when you feel stuck.
